Maj. A. O. Brummel left last Friday for Washington, D. C., and expects while absent to interest capital in the development of his large iron enterprise at Globe, and mines in Globe district. —Silver Bell.

Mr. W. R. Weemple came in from the Southern Bell yesterday. He has about 30 men employed in and about the mill and mine. B. N. Bravich, a first class miner is superintendent. The smelter at the mill is Holy Grove, an experienced mill man, from the Smelter Union, at Telluride, Col. Everything about the place is moving smoothly along and the prospects for a big camp are excellent.

Neither troubles nor pleasures always come singly. M. P. Dodge awoke from his slumbers yesterday morning to find himself fairly overwhelmed with good luck. That he is popular with his fellow citizens in the first ward was demonstrated by his election as councilman Monday. Yesterday he received a check for \$100 for five shares of matured stock in the Tucson Building and Loan Association. Surely he has captured the folk's goodwill; and he could not better her gift more worthily.

Only one bicycle show will be held in New York this winter, the Madison Square Garden company having abandoned their proposed exhibition in favor of a military bicycle tournament. This decision will leave the field clear for the show of the National Cycle Board of trade, which will be held in Grand Central Palace, New York, February 6 to 13. This will unquestionably be the biggest and most important show in the history of the trade in this country or in Europe. One thing warranting this statement is the fact that over 500 spaces will be occupied by exhibitors.

H. D. Underwood left yesterday morning for Phoenix.

Mr. R. Weemple is in from the Southern Bell.

As the health of Probate Judge John S. Wood is such as will confine him to his home for some time, it is not probable that he will again qualify for the office. In that event John H. Martin will be appointed to fill the vacancy. The appointing board will consist of the county recorder, chairman of the board of supervisors, and county treasurer. Col. Martin's appointment would meet with general approval.

Lon Holladay has been appointed to fill the unexpired term of C. W. Gray upon the school board. Mr. Holladay is a representative citizen of Tucson, enthusiastically interested in the efficiency of our public school system. His selection is a credit to the appointing power and a satisfaction to our people.

Several of the papers in the territory are advocating the appointment of Judge E. Williams of Pinal county, as one of the judges of the supreme court of Arizona. His many friends favor him knowing him to be well qualified for such a position, being an able lawyer, standing high in the profession, and a man of high character, and as appointed will be able and satisfactorily fill the position. —Silver Bell.

Rev. Joseph Swale, of London, Eng., will lecture at the Baptist church Wednesday and Thursday night for the benefit of the church. Wednesday night his subject will be "Supremacy, the Prince of Presbytery," illustrated by a stereopticon. Thursday night, "My Sinner's Day," a humorous story of a man's life. Admission 50 cents each, or the two lectures for 75 cents.

The North American Review for December contains an article by O. M. Harger, entitled, "A Problem of Aridity," in which is presented a serious question upon which answer depends the prosperity of thousands of brave men and women and their families. The determination of the population of some of the most fertile and productive sections of the country of Western Kansas, consequent upon lack of rain, has amounted in the past nine years to a quarter of a million of souls.

"The Engineer in Naval Warfare" is the title of an effective and well considered symposium presented in the opening pages of the North American Review for December. It is intended as a reply to the articles published under a like heading in the review of May last. In this instance the contributors are: Rev. Admiral John G. Walker, U. S. N.; Captain A. T. Mahan, U. S. N.; Captain R. D. Egan, U. S. N.; and Lieutenant S. A. Stanton, U. S. N.

H. K. Olenoweth was in the city yesterday, and circulated among our merchants with a petition for his appointment as collector of customs. It was very generally signed and is a formidable appearing document. Nogales has fairly outdone here in the matter. Judging from the list of names he has, there can hardly be a half a dozen men in the border town who have not signed their approval of Mr. Olenoweth's candidacy. He is a justly popular man, and will make an officer of whom both the administration and the people may well be proud.

Mrs. Huchman and sons, who have been visiting in the east for the past three months, are expected home on Saturday.

Saatiary Inspector Dan Mac Dunningham left this afternoon in company with Mr. Monaghan the Tucson customhouse and Inspector George W. Webb, for Buenos Ayres. From there they go to the Mexican Custom House, where a large herd of cattle is expected to cross the line in a few days. —Vindicator.

An accident occurred at the Normal School this morning, full particulars of which are not at hand, but it is understood that two young ladies in driving into the Normal yard turned rather quickly when they were thrown out and one of them sustained severe cuts and bruises about the head. The horse freed himself from the buggy and took a spin on his own account. —Herald.

On January 9 and 10 next, the annual basketball tournament will take place at Prescott. The local club, which holds the diamond badge championship, will be largely represented. Tucson athletes are to be in the contest will be for three trophies. First, the champion team diamond badge; second, the champion live bird badge; third, the champion basketball badge. —Republican.

Superintendent of Public Instruction, T. E. Dutton is at work on his report to the governor. He states that the total amount of school expenses in the territory for the year ending June 30, 1896, is about \$1,000,000; that the valuation of property will be about \$500,000; that there are 33,000 school teachers and that there are 18,000 children of school age in the territory. The number enrolled in the public schools in the past year was 14,889. —Republican.

Mr. W. A. Cunningham, postmaster at Dudleyville, in the city. He reports the San Pedro river as washing banks, and every high water stage it changed deeper, raising and destroying much of the bottom land. The bed of the river is already several feet below the head of Mr. Lattin's ditch and the water is so low that it is impossible for him to get water on his land without raising it by pumping appliances. The process he considers too costly for profit at either fruit raising or farming.

At Reid's Opera House tonight will be seen that most attractive play, "Darkest Russia." For four seasons it has met with great success and is one of the most popular attractions traveling. In Tucson it was played for three nights, telling of the despotic laws of the land, it in no way is sensational and never offends by gruesome or lurid scenes. The play is mounted in a beautiful manner. The scenery is of the highest quality. The acting is of the highest order. The play is a masterpiece of the dramatic art. It is a play that will be seen with interest and pleasure by all who see it. —Prospector.

A great crowd gathered in front of Pinner & Robinson's show window last night to see the opening of the six-day bicycle race. A. Stierling was placed in the window of rollers, the work of operating the machine being about the same as ordinary road riding, without the wind resistance. In practice before the race a half mile was ridden in 30 seconds, and the race opened by Bingham riding 9 1/2 miles in 20 minutes. During his ride the bearings of the rollers "blown up" somewhat, which caused the erection required to turn the wheels. Bud Brown was the next rider, and negotiated 8 1/2 miles in 20 minutes. For tonight's ride the mechanical apparatus will be repaired, and a higher gear put on the wheel, and some miles will be made in two minutes or less. Before the end of the week some of the local crack-racers will attempt to break the world's record on a home trainer for all distances up to five miles. —Herald.
